

# GREAT TALK BINGO

Slides are numbered	Plot axes clearly visible	Presenter doesn't use 'um' or 'like' in talk	3 presenters end on time	Color blind friendly palette
Text on slide matches speech	Presenter explains figure axes	Presenter doesn't lose you in first half	Presenter repeats question	Presenter explains equation well
Presenter speaks slowly & clearly	Every figure in presentation explained	FREE SPACE	Presenter says they don't know	Clear analogy used
Collaborators are acknowledged	Video works as intended	3 presenters acknowledge time signals	All questions in session asked using mic	Contact information included
Clear use of cartoon or schematic to explain concept	Takeaway points are made clear	Link to paper or additional material given	Presenter offers to talk more after session	Conclusion slides left up during Q&A
